this great book of prophesy for the next 100 years is a startling and powerful new perspective that views humanity not as fallen failing beings but as beloved children growing in love it effectively releases us from sin and repentance

the polished trilogy is a collection of experiences that reveal how to overcome adversity calvin purnell jr looks back on deeply personal experiences that tested his mettle and challenged him to stand tall and battle through to victory in looking back at his life he shares valuable lessons including how personal and professional experiences are interconnected why resilience adaptability and continuous learning

are so important why it makes sense to celebrate wins no matter how small how to embrace challenges as opportunities for growth the author also examines the significance of building a strong support network ways to engage in self reflection and the importance of cultivating a positive mindset with a blend of vulnerability and strength he reminds us that every setback is a setup for a comeback whether you re a young professional seeking guidance or someone facing personal challenges this book serves as an essential companion on your journey to resilience

this title critically examines mou zongsan s philosophical system of moral metaphysics on the level of metaphysics and history philosophy which combines confucianism and kantianism philosophy mou zongsan 1909 1995 is one of the representatives of modern confucianism and an important chinese philosopher of the twentieth century the two volume set looks into the problems in the moral metaphysics by mou and his systematic subversion of confucianism on three levels ethics metaphysics and historical philosophy in this second volume the author critiques mou s philosophical development of confucianism on the latter two levels the first part analyzes mou s view on conscience as ontology and his interpretation of the heavenly principles in confucianism arguing that his theory in fact abolishes confucian cosmology based on modern scientific concepts and speaks for modern humanity the second part focuses on mou s remolding of historical philosophy based on the concept of freedom of kant hegel and modern western philosophy then assesses his ideological distortions of historical and political concepts in the confucian tradition the title will appeal to scholars students and philosophers interested in chinese philosophy confucian ethics neo confucianism and comparative philosophy

many of the basic issues of political science have been addressed by pluralist theory which focuses on the competing interests of a democratic polity their organization and their influence on policy andrew mcfarland shows that this approach still provides a promising foundation for understanding the american political process
